

FFD 101
ART AND DESIGN STUDIO I
FALL 2015/16

EXERCISE 05

November 9th, 2015

QUIZ....QUIZ....QUIZ....

Ex_05f (SW): *3 hours*

- Use the pattern that you have drawn on the separate A3 sheet as an underlying grid and make a RHYTHMIC composition.
 - Follow the existing lines of the pattern to obtain the elements of the composition; this means that some of the lines in the pattern will remain as guide lines.
 - Use the transparent sheets (acetates) of a single color
 - Keep in mind that RHYTHM is an advanced form of REPETITION

Ex_05g (HW): *November 12th, 14.00*

- Select one of the paintings from the given list in the file named 'Ex_05g_paintings' on the official web sites
 - Make a color palette paying due attention to the amount of each color in the painting on an A4 size white cartridge paper
 - Search for the appropriate colored paper products that will best represent the color combination in the painting and bring enough amount of them to the studio
- Make the necessary revisions on the composition (Ex_05f); draw the outlines of the elements. You will use it for the studio work on Thursday.

Ex_05h (SW): *November 12th, 17.00*

- Complete the composition using the colored paper products

Material required for the next class (November 16th, Monday):

- Gouache Paints: primary colors, black and white
- Plastic palette
- White cartridge paper
